### What's Next – Winning the Spiritual Battle!

After 31 years of broadcasting we have the mechanics of listener supported radio well in control. But there is something about ministry we need to be very cautious of and that is presuming on God. We need your prayers to surround what we do. The lives that have been and will be influenced speak of a victorious spiritual battle! Our part is to deliver the message and just as a supply line is essential in any campaign we need protective prayer, provisional prayer and prayers of praise at every point of every day. Right now and into the month of March we are asking especially for provisional prayer. We need the supply that each listener can provide. Our budget is very frugal and very necessary – pray for our audience to come forward during this time and share in the victory of providing. Pray that the words we speak and the focus we have will bring honor to God and the right response from His people. Each year we see a greater need for WCIF's service in our beloved communities. Keep us strong – pray and help provide.

### From the Manager

Lee Martinez

If you want to draw people's attention show them something attractive. People, pets and products lead the list for T.V. advertisers. Nature lovers have an entire world of God's creation to overwhelm their senses and draw them away from the ordinary. Many will campaign to preserve what they see. They will make great sacrifices to keep or replenish the good they have experienced.

Men have been inspired to great causes by imagining a future untouched by present conditions. Our own preamble to the constitution of the United States is laden with hope and inspires visions of what could be:

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."

Needy people are attracted to things fulfilling and we all have needs. Psalms of hope and promise become our favorites with little need to explain why. It is enough to simply share the right thought at the right time.

Here at WCIF we have heard so many times how something in our programming was broadcast at just the right time. Just when a listener needed advice, encouragement, wisdom or just the feeling that someone understood where they

were in their lives - God came through with a personal message at 106.3! It is awesome and it shows all of us that God cares and is in charge, ready to walk alongside His children. Our staff is just thankful for the opportunity to share in communicating God's blessings.

We understand there is a huge population within range of our signal-more than 20 communities of potential seekers. These are communities of men and women seeking peace and a safe place to rest.

There is an old camp meeting song which says,

**There is a place of quiet rest, near to the heart of God, a place where sin cannot molest- near to the heart of God.**

"Let me be a little kinder- let me be a little blinder-to the faults of those

around me. -- Let me be when I am weary just a little bit more cheery - think a little more of others and a little less of me. ."

It says to me when Jesus comes in your life focus can change and even our boisterous nature can be changed. For 31 years we have seen it happen because God's Word has been allowed to penetrate hearts and the appeal of changed attitudes is life changing.

We are looking to another year of changed lives and beginning in March seeking to partner with you in providing a growing up place for weary people. Where a person can sit back and take

a deep breath and hear the Good News of God's love which covers each aspect of their lives. It will continue to be a learning place with songs of celebration and joy filling the air. There is room and resources here for the oldest and the youngest. It is an attractive place much like an oasis would be in a desert. Help us keep the water of life before those who need a vision of the future that will attract them to the Savior.

## Thanks For Your Letter

**Palm Bay** – Happy New Year, The Lord is good to take us through another year, and beginning of a new year; I thank God for WCIF radio, it is what takes me through each day.

**Micco** – Thank you WCIF and family for the Good News message.

**West Melbourne** – Thank you for all you do, for the people you reach and never hear from even though you take them one step closer (and more) to accepting God's Saving Grace. I was bemoaning the fact to a dear friend that I didn't "feel" I was doing much to help give the Good News out and they lifted my spirits by remind me of somethings I did and thought were insignificant. Know what one was, helping WCIF in small ways that play a part in getting the Word out to uncounted numbers. Encouragement is always a blessing and WCIF encourages many so WCIF is definitely a blessing. It also reminded me not to let my human feelings get in the way of what God has for me to do. Again Thank you WCIF and may God continue to bless the station and those of you who are such an integral part of it.

**Titusville** – I love your programs and specially during Christmas time. I enjoy every minute of it. God bless you all and keep your station running for many years to come.

**Palm Bay** – Enclosed is pledge for the new year. I pray God supply all the needs of ministry and everyone that's involved at WCIF.

**Melbourne** – I just want to thank you all for the Christmas music even being played after Christmas. It was such a blessing to me. I will miss the music so much. Thank you and I pray for a healthy and prosperous new year.

**Satellite Beach** – Enclosed please find my 2010 pledge. I am so very sorry to be so late with it, but income has been greatly reduced this year. It's taken a while to save it. Thank you so much for WCIF. I have been a listener from the beginning and am eternally grateful for this station. May God continue to bless the station and each one of you there.

**Viera** – Thank you for the beautiful calendar – we hope you all had a wonderful Christmas and that the New Year will be better than ever. Enclosed check for helping with expenses. God bless you all.

**Palm Bay** – Thank you all for such wonderful programming. I find it to be such a great blessing. The songs are so good for worshipping. May God continue to bless and keep you all always.

**Cocoa** – Just a note to wish you Happy New Year and an enclosed check to get you off to a good start in the new year. . . Your station is my favorite. I loved all the Christmas music this season. Keep up the good job.

**Sebastian** – I had almost forgotten about my pledge until God reminded me this week! God bless and may we all have a new year filled with peace and inner joy.

**Rockledge** – I love the new calendar. Thank you and wishing you God's continued blessings in 2011.

Then I will go to the altar of God, to God my exceeding joy, and I will praise you with the lyre, O God, my God.
